

Program of The International Conference

dedicated to the **60th anniversary of the Department of Traumatology and Orthopedics of the Belarusian State Medical University**

in **“Modern Aspects of Diagnostics and Management of Upper Extremity Disorders”**

19 and 20 April 2018, Minsk, Republic of Belarus

Conference languages: Russian, English

19 April 2018

8.30-10.00 registration of the conference participants

The venue is the foyer of the BSMU Assembly Hall. 83, Dzerzhinsky ave. (main building)

10.00 – 12.10

Introductory speech

First Deputy Minister of Health of the Republic of Belarus D.Pinevich

Rector of the Belarusian State Medical University A.Sikorski

***Director of the Republican Scientific and Practical Center for Traumatology and Orthopedics -
Academician A. Beletsky***

10.10-10.25 History of the Department of Traumatology and Orthopedics of the Belarusian State Medical University (*Minsk, Belarus*) E. Makarevich, P. Bespalchuk

The main directions of scientific and practical activities members of the Department of Traumatology and Orthopedics BSMU

10.25 - 10.35 Modern medical techniques used to diagnose intraarticular injuries of the wrist (*Minsk, Belarus*) A. Volotovski

10.35 - 10.45 Rotator-bicipital complex of the shoulder (*Minsk, Belarus*) O. Danilenko

10.50 - 11.00 Surgical approaches to correction of the congenital anomalies of the hand

(Minsk, Belarus) A. Bepalchuk

Nerve and Joint Surgery

11.05 – 11.25 Nerve Surgery *(Poznan, Poland)* L. Romanowski

11.25 – 11.40 Thumb CMC arthroplasty *(Poznan, Poland)* P. Czarnecki

11.40 – 12.00 Surgery in Spastic Upper Extremity Treatment *(Poznan, Poland)* L. Romanowski

12.00-12.10 *discussion*

Coffee break 12.10 - 12.30

12.30-14.25

Session I

Shoulder Surgery

Chairmen: E. Makarevich, L. Romanowski, R. Gladkov

12.30 – 12.50 Management of shoulder instability *(Poznan, Poland)* P. Lubiowski

12.50 – 13.05 Operative treatment of irreparable tears of the rotator cuff
(Bialystok, Poland – Minsk, Belarus) J. Frael, V. Yarmolovich

13.05 - 13.15 Our experience of the surgical treatment of partial rotator cuff tears
(St. Petersburg, Russia) R. Gladkov

13.15 - 13.25 Pain in the shoulder - the possibility of surgical treatment *(Minsk, Belarus)* S. Vorobiev

13.25 – 13.35 Shoulder pain from the standpoint of a neurologist *(Minsk, Belarus)* L. Anatskaja

13.35 - 13.45 Surgical treatment of the large pectoral muscle ruptures *(Minsk, Belarus)* K. Biryukov

13.45 – 13.55 Possibilities of prp-therapy in the treatment of partial degenerative lesions of the rotatory-bicipital complex *(Minsk, Belarus)* A. Savchuk

13.55 - 14.05 Results of the surgical treatment of acromioclavicular joint instability
(Mogilev, Belarus) A. Malashko

14.05 - 14.15 Surgical approaches to the treatment proximal humerus fractures in children
(Minsk, Belarus) A. Beletsky

14.15 - 14.25 *discussion*

Lunch break 14.25 - 15.15

15.15-17.30

Session II

Elbow Surgery

Chairmen: V. Lashkovski, P. Lubiowski, P. Czarnecki

15.15 – 15.30 Cubital tunnel syndrome *(Poznan, Poland)* P. Czarnecki

15.30 - 15.45 Topical problems of diagnosing and treating the elbow joint instability
(Kiev, Ukraine) S. Strafun

- 15.45 – 16.05 Stiff elbow (*Poznan, Poland*) P. Lubiowski
- 16.05 - 16.20 Treatment of patients with comminuted intra-articular fractures of the distal humerus
(*Grodno, Belarus*) V. Lashkovski
- 16.20 - 16.25 Effectiveness of chondroprotectors in the treatment of pain syndrome in osteoarthritis
(*Minsk, Belarus*) N. Adashkevich
- 16.25 - 16.35 Fracture-dislocations of the elbow joint (*Minsk, Belarus*) I. Stroganov
- 16.35 - 16.50 *Shoulder fracture delayed consolidation treatment with locking nail* (*Grodno, Belarus*) V. Anosov
- 16.50 – 17.00 Minimally invasive surgical treatment for epiphysiolysis and radial head fractures in children
(*Minsk, Belarus*) N. Altai
- 17.00 - 17.10 The results of minimally invasive surgical treatment of injuries of the distal tendon of the shoulder bicep tendon (*Minsk, Belarus*) S. Shedko
- 17.00 - 17.30 ***Discussion, summarizing the scientific session***
-

20 April 2018

HAND SURGERY

(The venue is the conference hall of the Minsk City Center of Traumatology and Orthopedics, Minsk City Clinical Hospital N6, Uralskaya Str. 5)

Session III

Chairmen: P. Bespalchuk, A. Volotovskii, I. Golubev

9.30 – 11.20

- 09.30 - 09.40 The history of the development of hand surgery in the Republic of Belarus
(*Minsk, Belarus*) P. Bespalchuk
- 09.40 - 10.00 Basic principles of treatment of congenital malformations of the hand in children
(*St. Petersburg, Russia*) I. Shvedovchenko
- 10.00 - 10.20 Wrist arthroscopy (*Moscow, Russia*) I. Golubev
- 10.20 - 10.35 Non-articular surgical interventions in the treatment of the lunate bone avascular necrosis
(*Minsk, Belarus*) A. Volotovskii
- 10.35 - 10.50 Surgical treatment of degenerative-dystrophic diseases of the hand
(*Vitebsk, Belarus*) V. Deikalo
- 10.50 - 11.10 Recovering the possibility of self-care in patients with arthrogryposis
(*St. Petersburg, Russia*) O. Agranovich
- 11.10 - 11.20 *Discussion*
- Coffee break 11.20 – 11.40

Session IV

Chairmen: V. Deikalo, A. Bespalchuk, V. Melnikov

11.40 – 13.00

11.40 - 11.55 Distraction method in surgery of the wrist (*Moscow, Russia*) V. Melnikov
11.55 – 12.10 Incomplete wrist arthrodesis in clinical practice (*Grodno, Belarus*) A. Brytsko
12.10 - 12.20 Sauve-Kapanji procedure in the treatment of chronic distal radioulnar instability
(*Minsk, Belarus*) A. Bepalchuk
12.20 – 12.30 Surgical treatment of the osteoarthritis of CM joint (*Minsk, Belarus*) D. Mikhalkevich
12.30 – 12.40 Chondroprotectors in orthopedic practice (*Minsk, Belarus*) E. Petrochenko
12.50-13.00 *discussion*

Lunch break 13.00 - 14.00

Session V

Chairmen: I. Shvedovchenko, P. Bepalchuk, I. Golubev

14.00 – 15.30

14.00 - 14.20 Upper limb reconstruction for bone defects of different origin (*Moscow, Russia*)
14.20 - 14.40 Reconstructive surgery with the use of microsurgical techniques - the possibility of use in
orthopedics (*St. Petersburg, Russia*) I. Shvedovchenko
14.40 - 14.55 Blood-supplying bone grafts in surgery of the wrist (*Moscow, Russia*) V. Melnikov
14.55 - 15.05 Reconstructive surgery of upper limb fighting injuries (*Minsk, Belarus*) A. Sukharev
15.05 - 15.20 General principles of the treatment the dermal, subdermal burns and deep wounds of the
upper limb (*Minsk, Belarus*) A. Serebryakov
15.20 -15.30 *discussion*

Coffee break 15.30 - 15.40

Session VI

Chairmen: E. Makarevich, P. Bepalchuk, A. Volotovski

15.40-17.00

15.40 - 15.55 Distal radius fractures osteosynthesis (*Minsk, Belarus*) P. Volotovskiy
15.55 - 16.05 Closed reduction and external fixation of distal radius fractures among elderly patients
(*Grodno, Belarus*) E. Strizhak
16.05 - 16.15 Syndactyly (*Minsk, Belarus*) A. Bepalchuk
16.15 - 16.25 Open finger separation technique in congenital syndactyly treatment
(*Mogilev, Belarus*) M. Gavrilenko
16.25 - 16.35 Features of anesthesia for hand surgery in children (*Minsk, Belarus*) I. Buinevich
16.35 - 16.45 Reconstruction of the hand flexor tendons in the cicatrices-altered osteofibrous canals
(*Gomel, Belarus*) A. Zenchenko
16.45 - 16.55 Surgical treatment of the proximal distal phalanges fractures of the hand
(*Minsk, Belarus*) W. Fan

16.55 - 17.00 Summing up the results of the conference
