

BELARUSIAN STATE MEDICAL UNIVERSITY

Department of Biology

Examination in the academic discipline "Medical Biology and General Genetics" for students of the Medical Faculty for International Students, studying in the specialties: 7-07-0911-01 "General Medicine"

The exam is conducted in a written and oral form.

Students' phones (smartwatches) must be turned off during the exam. If a student is found to have a phone, smartwatch, microphone, earpiece, or any other source of information (cheat sheet) turned on during the exam, the exam for that student (cadet) is terminated with a failing grade of 1 (one).

Time for solving the test – **60 minutes**.

Students must write their answers on an **answer form**, which must be downloaded from etest.bsmu.by and printed before the exam starts.

The use of scratch paper is not allowed.

It is necessary to write the solution to the problems to explain the answers.

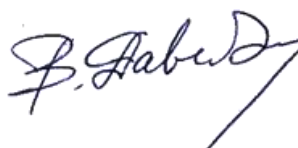

CRITERIA

#	Question type	Points	Quantity	Total points
1	Multiple choice (1-15)	3	15	45
2	Filling in a gap (16-25)	5	5	25
