

Recommended literature

Medical Biology and General Genetics (General Medicine)

Main literature:

1. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. - 224 pages.
2. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. -155 pages.

Advanced literature:

1. Medical biology : practical book for the students studying in the specialty "General medicine" : practical book/ V. E. Butvilovsky [et al.]. – 3rd edition – Minsk : BSMU, 2024 – 111 pages.
2. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. - 224 pages.
3. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. -155 pages.
4. Medical Genetics and Parasitology for the students studying in the specialty "General Medicine" : text-book. / V. E. Butvilovsky [et al.]. – 2nd edition – Minsk : BSMU, 2019. - 220 pages.

Medical Biology and General Genetics (Dentistry)

Main literature:

1. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. - 224 pages.
2. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. -155 pages.

Advanced literature:

1. Medical biology : practical book for the students studying in the specialty "Dentistry" : practical book / V. E. Butvilovsky [et al.]. – 3rd edition – Minsk : BSMU, 2024 – 68 pages.
2. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. - 224 pages.
3. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. -155 pages.
4. Medical biology and general genetics for foreign students studying in the specialty "Dentistry" : lecture course. / V. E. Butvilovsky [et al.] - Minsk : BSMU, 2019. - 104 pages.
5. Medical biology : methodological recommendations for the students studying in the specialty "Dentistry" V. E. Butvilovsky [et al.]. – Minsk : BSMU, 2018. – 43 pages.
6. Medical biology : textbook / Bazhora Yu. I., Bulyk R. Ye., Chesnokova M.M. [et al.]. – Vinnytsia : Nova Knyha, 2018. – 448 pages.

Biology (Pharmacy)

Main literature:

1. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. - 224 pages.
2. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 2nd edition – Minsk : BSMU, 2025. -155 pages.

Advanced literature:

1. Medical biology : practical book for the students studying in the specialty "Dentistry" : practical book / V. E. Butvilovsky [et al.]. – 3rd edition – Minsk : BSMU, 2024 – 68 pages.
2. Medical Biology : text-book. / tome 1 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. - 224 pages.
3. Medical Biology : text-book. / tome 2 / V. V. Grigorovich [et al.]. – 1st edition – Minsk : BSMU, 2023. -155 pages.
4. Medical biology and general genetics for foreign students studying in the specialty "Dentistry" : lecture course. / V. E. Butvilovsky [et al.] - Minsk : BSMU, 2019. - 104 pages. **Text books and lecture courses**

can be borrowed in the library or bought in the books shops. They are also available as web-pages in the online-courses on etest.bsmu.by. **Practical books** must be bought in the book shops of BSMU.

Head of the Biology Department
29.08.2025, protocol #1

A handwritten signature in blue ink, appearing to read 'V.V. Davydov', written in a cursive style.

V.V. Davydov
