## Department of Biology

Examination in the academic discipline "Medical Biology and General Genetics" for students of the Medical Faculty for International Students, studying in the specialties: 7-07-0911-01 "General Medicine"

### The exam is conducted in a written and oral form.

Students' phones (smartwatches) must be turned off during the exam. If a student is found to have a phone, smartwatch, microphone, earpiece, or any other source of information (cheat sheet) turned on during the exam, the exam for that student (cadet) is terminated with a failing grade of 1 (one).

Time for solving the test – **60 minutes**.

Students must write their answers on an **answer form**, which must be downloaded from [etest.bsmu.by](http://etest.bsmu.by) and printed before the exam starts.

The use of scratch paper is not allowed.

It is necessary to write the solution to the problems to explain the answers.
