

**CRITERIA FOR ASSESSING KNOWLEDGE AT THE TEST
IN THE DISCIPLINE "ORGANIC CHEMISTRY" FOR 2ND YEAR STUDENTS OF
PHARMACEUTICAL UNIVERSITY**

The student is allowed to take the test:

– in the absence of unworked missed laboratory classes;

Credit is given upon passing the final computer test with a positive ("4" or higher mark).

Criteria for assessing test control of students' knowledge

Mark	Percentage of correct answers
unconsidered	0-39,9%
considered	40-100%

Time to complete tasks is 45-50 minutes.

Criteria approved at the meeting of the Department of Bioorganic Chemistry,
protocol No. 8 of 12.18.2023.

Head of the Department of Bioorganic Chemistry

O.N. Ryneiskaya
