10. Benzylpenicillin (in bottles)
11. Berodual (aerosol)
12. Bisoprolol (tablets)
13. Carbamazepine (tablets)
14. Carvedilol (tablets)
15. Cefaclor (capsules)
16. Ceftazidime (powder in bottles)
17. Chlorpromazine (dragee)
18. Ciprofloxacin (solution in bottles, coated tablets)
19. Clarithromycin (powder for suspension)
20. Clindamycin (capsules for children, syrup)
21. Clonidine (eye drops)
22. Clozapine (granules in sachets)
23. Co-trimoxazole (solution in ampoules)
24. Desloratadine (tablets)
25. Dexamethasone (tablets)
26. Diazepam (tablets)
27. Digoxin (solution in ampoules, solution in vials)
28. Diltiazem (coated tablets)
29. Diphenhydramine (solution in ampoules, suppositories)
30. Doxazosin (tablets)
31. Doxycycline (capsules, powder in ampoules)
32. Esomeprazole (tablets, powder in vials)
33. Ethosuximide (capsules)
34. Fluoxetine (capsules)
35. Flupentixol (oil solution in ampoules)
36. Furosemide (solution in ampoules)
37. Gentamicin (ointment, solution in ampoules, eye drops)
38. Glybenclamide (tablets)
39. Haloperidol (solution in ampoules)
40. Imipenem (powder for injections)

41. Indapamide (capsules, coated tablets)
42. Isosorbide mononitrate (tablets)
43. Ketotifen (syrup)
44. Levofloxacin (tablets)
45. Lidocaine (solution in ampoules)
46. Lisinopril (tablets)
47. Losartan (tablets)
48. Metformin (tablets)
49. Metoclopramide (solution in ampoules)
50. Metoprolol (tablets, coated tablets)
51. Metronidazole (suppositories, solution in bottles)
52. Nacom (tablets)
53. Nitrofurantoin (tablets)
54. Ondansetron (rectal suppositories, syrup)
55. Oseltamivir (capsules)
56. Perindopril (tablets)
57. Pilocarpine (ointment, solution in bottles)
58. Prednisolone (ointment)
59. Procainamide (solution in bottles)
60. Promethazine (coated tablets, dragee)
61. Propranolol (solution in ampoules)
62. Pyridostigmine bromide (solution in ampoules)
63. Rifampicin (capsules)
64. Salmeterol+Fluticasone, combined drug (aerosol)
65. Sodium levothyroxine (tablets)
66. Sodium valproate (tablets)
67. Sotalol (coated tablets)
68. Terbinafine (tablets, ointment, cream, gel, spray)
69. Terbutaline (solution in ampoules)
70. Tramadol (solution in ampoules, suppositories)
71. Trihexyphenidyl (tablets)
72. Vancomycin (capsules)
73. Warfarin (tablets)
74. Zidovudine (capsules)
75. Zolpidem (tablets)
