

**Course Listing for Lectures on Organic Chemistry**  
**Fall 2025 (all 03/09/2025 -2910/2024) :**  
**Medical Faculty for International Students, 2d course (Pharmacy)**

<b>№ n/n</b>	<b>Date</b>	<b>Theme</b>
1.	03.09	Stereoisomerism and stereochemistry
2.	10.09	Isolation and identification of organic compounds
3.	18.09	Reactivity of organic compounds
4.	24.09	Halogen derivatives. Reactions of nucleophilic substitution and elimination
5.	01.10	Hydroxy- and thio derivatives of organic compounds.
6.	08.10	Amines. Azo, diazo compounds.
7.	15.10	Carbonyl compounds I
8.	22.10	Carbonyl compounds II

The course schedule was approved at a department meeting № 1, 29.08.2025

Head of the Department of General Chemistry

M.M.Kauhanka
