

**REQUIREMENTS FOR THE INTERMEDIATE ASSESSMENT  
(ADMISSION TO THE EXAM)  
DISCIPLINE "INTERNAL DISEASES"  
3<sup>rd</sup> YEAR STUDENTS OF THE DENTAL FACULTY  
IN 2024/2025 ACADEMIC YEAR**

To be allowed to take an exam student should:

1. Attend all lectures and practical classes on the discipline. All missed practical classes and lectures must be reworked (schedule and rules are posted on the e-test);
2. Have a positive average grade for the semester (at least 4 points). To increase average grade student can rework practical classes in which he/she received unsatisfactory grades (with payment);
3. Complete the workbook "Diagnostic methods in the internal diseases: workbook for students of the Dental Faculty" (the teacher checks it and puts a signature on it);
4. Pass the Final online test with a result of at least 40%.
5. Pass the practical skills test by checklists with a mark of at least 4 points.

**If the requirements are not completed, the student is not allowed to take the exam.**

**If you miss more than 50% of lectures in the 3rd year of a subject "Internal Diseases", your exam grade will be reduced by 1 point.**

Approved at the meeting of the department on 30.08.2023, protocol #1.

Head of the Department  
of Internal Diseases Propaedeutics,  
M.D., Ph.D., Professor
