These dates are fixed for the students having the permission from the Dean's Office on missed class *<u>with payment.</u>*

- **Students must learn the topic for the working off,**
- **3d year students have to fulfill the workbook (pages on the topic).**
- **All students have to download, print and fulfill a file from e-test "Assignment for rework"**
- **Registration finishes at the day before the beginning (**phone number +375-17-398-95-43).
- **Students coming later are not allowed to rework.**
- **Please, register for the reworking in advance** as the number of students allowed for the rework is limited.
- Changes can be made in the schedule. To clarify possible changes, contact the department.
