- These dates are fixed for the students in case of student's absence on class with reasonable excuse and having the permission from the Dean's Office on missed class **WITHOUT PAYMENT.**
- **Students must learn the topic for the working off, download, print and fulfill a file from e-test "Assignment for rework"**
- **3d year students have to fulfill the workbook (pages on the topic),**
- **Registration finishes at the day before the beginning** (phone +375-17-398-95-43)
- **Please, register for the reworking in advance** as the number of students allowed for the rework is limited.
- **Students coming later are not allowed to rework.**
- Changes can be made in the schedule within the semester. To clarify possible changes, contact the department.

Head of the Department

Edward A.Dotsenko

It is approved at the department meeting 29.01.26, protocol # 7.
