

# AMENDMENTS AND CHANGES TO THE CURRICULUM IN THE EDUCATIONAL DISCIPLINE

## «Normal Physiology»

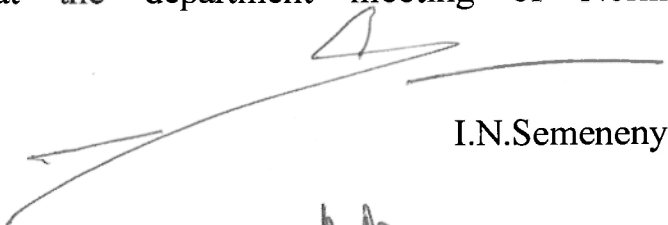

for the specialty 7-07-0911-03 «Dentistry»

for 2026/2027 academic year

| Amendments and changes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Basis/Reason                                           |
