

**CALENDAR-THEMATIC PLAN OF LECTURES
in General and Inorganic Chemistry for 1st year students
spring semester 2023/2024**

Medical Faculty for International Students (Pharmacy)

№	Дата	Topic
1.	14.02.24	Introduction into chemistry of biogenic elements.
2.	21.02.24	General characteristic of s-elements. Elements of groups IA-IIA.
3.	06.03.24	General characteristic of d-elements. Elements from IIIB – VIB groups.
4.	13.03.24	Elements from VIIB-VIIIB, IB-IIB groups
5.	17.04.24	General characteristic of p-elements. Elements from IIIA group.
6.	24.04.24	Elements of IVA group.
7.	08.05.24	Elements of VA group.
8.	22.05.24	Elements of VIA group.
9.	05.06.24	Elements of VIIA-VIIIA groups.

The plan was approved at a department meeting № 1, 15.01.2024.

Head of the Department of General Chemistry
